## Spring 2 2009: Serving the Military Community for 35 years SOUTH HAMPTON ROADS CENTER

### Excellence:

#### A University Core Value

“Saint Leo University is an educational enterprise. All of us, individually and collectively, work hard to ensure that our students develop the character, learn the skill, and assimilate the knowledge essential to become morally responsible leaders. The success of our University depends upon a conscientious commitment to our mission, vision and goals.”

### Dean's List

Each semester, students who have earned at least 12 credits and a grade point average of 3.65 or higher are recognized on the Dean's List. Saint Leo University publishes the Dean's List on the university Website after the end of each term. The Dean's List is available online [www.saintleo.edu](http://www.saintleo.edu), University news.

Some newspapers and online news organizations publish the names of local residents who earn the Dean's List distinction. If you would like to send such a release for publication to a news organization in your area, we offer a standard press release form for your use. Please contact the Office of Public Relations at (352) 588-8572 or e-mail [public.relations@saintleo.edu](mailto:public.relations@saintleo.edu) for assistance.

### Zero Balance

Beginning January 1, 2009, unless specifically deferred, student balances must be zero prior to registering for the SP1-09 term. Registration using e-Lion or at a Center office will both be restricted. Valid payment deferrals include Payment Plans, signed Payment Agreements, pending Financial Aid, Tuition Assistance and Tuition Remission. ## Library Resources

The University strongly encourages all students to review the instructional tools on the Cannon Memorial Library website. By learning to become more proficient researchers, students will also enhance their academic success. Please review the library tutorial and complete the online test which will prepare you for utilizing the library's resources and services. A score of 70 or higher is necessary to pass. Please allow yourself 15-20 minutes to take the test. To review library resources go to [www.saintleo.edu](http://www.saintleo.edu) and click on Library or you may contact the Center's local librarian at [steven.weaver@saintleo.edu](mailto:steven.weaver@saintleo.edu).
