

Congratulations on completing another year here at Saint Leo University. For our most recent graduates, we all wish you the best in your careers. Remember to keep in touch with us as we are always interested in what you are doing. Consider joining the Alumni Association.

In the Fall, we expect over 30 new students who have declared the criminal justice major. Our growth continues and we expect more declared majors during the upcoming year.

Aside from our specializations in Criminalistics and Homeland Security our faculty are working on additional areas that we will unveil in the 2009 Fall term. Our focus is to provide students with innovative educational opportunities aimed to exciting career options.

Please have a fun and safe summer and we will see you in the Fall 2009.

Summer Update

The Department of Criminal Justice has recently been renewed as an academic Flagship Academic Program.

Please check our department website for updated information on our Summer Institute for Excellence class offerings. You may also contact Ms. Ashlee Castle, 352-588-8853.

Our library has just launched its service of providing academic dissertations and thesis access by logging into their database. You will find this and excellent resource in researching and preparing written assignments.

The Learning Resource Center is another excellent recourse to assist in your studies. They can be contacted at LRC@saintleo.edu.

Our popular field placement program allows students to pursue selected internship opportunities to help them in their career choice. Imagine being able to graduate with your BA in Criminal Justice and a graduate of the Florida Police Academy at the same time. Please see our department website for information and you may also contact Ms. Ashlee Castle or Professor Barry Glover for assistance.

Please keep in mind we offer several different financial scholarships to our students. One is offered from the FBI and the others are offered from the Association of Certified Fraud Examiners Association.

Your professors are busy publishing and presenting scholarly academic papers on all sorts of interesting topics. In the Fall term, faculty are presenting exciting topics on campus like international money laundering crimes, so please mark you calendar to attend.

During the Fall and Spring terms, your faculty will be hosting a series of Career Day FAQ sessions, were all your questions will be answered. We hope this opportunity will be helpful in your career choice. Please stay in contact with your professors and our department website for details.

Tip: Careers in the field of Criminal Justice are expected to increase by 15% annually well into the future!
