

# Feedback Tools

Using D2L to Improve your Feedback

Greg Kunzweiler

The screenshot shows the 'Feedback' tool interface. At the top, the title 'Feedback' is displayed. Below the title is a toolbar with icons for play, camera, link, and a dropdown arrow, along with a three-dot menu icon. The main area is a large, empty white box. At the bottom of this box is a secondary toolbar with icons for a checkmark, a speech bubble, code symbols, a magnifying glass, a square with an X, and a slash. Below the main area are three buttons: 'Add a File', 'Record Audio', and 'Record Video'.
