Whether you are seeking spiritual and leadership development, a career in ministry, or advanced theological education, Saint Leo’s Master of Arts in Theology offers a flexible adult learning model for nontraditional graduate students, lay ministers, and candidates to the diaconate.

Our 36-credit hour program explores major theological questions such as the mystery of God, Jesus as Son of God, and our own human origin, destiny, and purpose in life. It also looks at ethical and cultural implications of a transcendent understanding of life, contributions of and challenges to the Catholic tradition, the role of humility and contemplative experience, and skill sets necessary for leadership in liturgical and ministerial service.
LEARNING OUTCOMES
Although we teach theology from the perspective of the Catholic Christian Tradition, we are an ecumenical community in which diverse perspectives are shared openly in the learning process. In other words, you may come to the program with different beliefs and objectives from your classmates, or perhaps with no background in academic theology, but you will also leave spiritually enriched, with a critical knowledge of biblical, systematic, historical, pastoral, and moral theology.
