OK with Textbook Substitutions?

There's a chance the textbook condition you selected might be unavailable. In this case, we can substitute it for another condition (e.g. Used to New), which could change your order total. Please choose:

Yes! Switch the unavailable textbook condition for the available condition even if it affects my total.

No. Don't replace the textbook condition and cancel it from my order.

10. Next you will need to set up an account if you do not already have an eFollett account. Important: Be sure you use your Saint Leo University email to set up the account in the event that you ever order electronic books as some are attached to your SLU email and it may cause issues accessing them if you use your personal email. Once your account is created use it to log in.
