THE MAINE EVENT

Welcome to The MANE Event!

We are thrilled to have the opportunity to showcase our vibrant campus, where you will have tremendous opportunities to earn a high-value degree, get involved, form lasting friendships, and pursue your interests both inside and out of the classroom.

For those who have been admitted to Saint Leo for the Fall 2022 Semester, congratulations. We are thrilled to welcome you to your future home. For those who have not yet applied, we would encourage you to take this opportunity today to picture yourself as a member of our community.

As the first Catholic institution of higher education in Florida and the largest Benedictine university in the world, we are proud of our heritage and our continued commitment to our core values. As you participate in today's event, we hope that you will experience these values as you join our global community of learners.

Today's event is intended to give you a sneak peek into what you can expect as an incoming student. You will have the opportunity to hear from University Leadership, academic departments, and to get a feel for our experiential learning opportunities, all while completing your Admitted Students Checklist and meeting your future classmates. This event has been planned with the health and well-being of our guests and community in mind. By the end of today, we hope that you have completed all of your necessary next steps for an easy transition in August.

Upon your entrance to University Campus, kindly take the first exit off the roundabout toward Kirk Hall. Signs will direct you to the Parking Garage and Check-In Area. Enjoy a light breakfast in the Marion Bowman Center prior to the Welcome Session

If you have any questions or need assistance, please do not hesitate to let us know.

**Welcome home, Saint Leo University
