WELCOME

9:00 AM - 10:00 AM CHECK-IN & BREAKFAST

Marion Bowman Center

Upon your entrance to University Campus, kindly take the first exit off the roundabout toward Kirk Hall. Signs will direct you to the Parking Garage and Check-In Area. Enjoy a light breakfast in the Marion Bowman Center prior to the Welcome Session.

10:00 AM - 10:30 AM WELCOME SESSION

Marion Bowman Center

Enjoy opening remarks by University Leadership, along with an event overview as we show you how to maximize your time on campus today.

10:45 AM - 11:30 AM EXPERIENTIAL LEARNING SESSIONS (STUDENTS)

Various Locations - (See below and campus map)

Check out presentations from our faculty and staff members who will introduce you to the resources that you have available to you as a Future Lion at Saint Leo.

10:45 AM - 11:30 AM LEADERSHIP Q&A (FAMILIES)

Marion Bowman Center

Ask what's on your mind! During this informative, open-forum Q&A with University Leadership, you have the opportunity to ask questions about your student's safety, security, and success at Saint Leo.

11:45 AM - 2:00 PM

LUNCH

Dining Hall

Be sure to stop by the Dining Hall to enjoy your free lunch on campus.

2:00 PM - 3:00 PM HONORS RECEPTION TECO Hall

This is an opportunity for students to learn more about the honors program and ask clarifying questions regarding their application.

SPECIAL BOOKSTORE HOURS

Get an exclusive opportunity to purchase the latest Saint Leo branded gear for future lions and their families from 9:00 AM - 3:00 PM today!

EXPERIENTIAL LEARNING SESSIONS | 10:45 AM - 11:30 AM

COLLEGE OF ARTS & SCIENCES - EXPLORATION EXPO

Student Community Center Boardrooms ABC

This engaging and informative college major resource fair is designed to help you explore and discover the endless possibilities within your field of study. Join fellow prospective students and faculty members of the College of Arts & Sciences during a dedicated session that is tailored to provide you with valuable resources and interactive activities to make informed decisions about your chosen major.

COLLEGE OF HEALTH PROFESSIONS - NURSING SKILL DEMONSTRATION

Multimedia Room MMR, Apartment 6

During an experiential learning session focused on nursing skills, aspiring healthcare professionals will immerse themselves in a hands-on educational environment where they can apply theoretical knowledge to real-life situations.

SCHOOL OF COMPUTING, ARTIFICIAL INTELLIGENCE, ROBOTICS, & DATA SCIENCE CARDS LAB DEMONSTRATIONS

Robotics

Kirk Hall, Rooms 123/124

Rapid advancements in manufacturing, technology, and the opening of new markets around the globe, is creating a surge in the demand for robots and highly skilled robotics engineers, which is expected to grow well into the 21st century. Stop by for a demonstration and to learn more about these programs.

Cybersecurity

Tapia College of Business, Room 408

Tour our state-of-the-art Cybersecurity Lab, where students use the newest technology to track real-time cyber-attacks and practice hacking into and repairing networks designed for student use.

TAPIA COLLEGE OF BUSINESS MARKETING FOUNDATIONS TECO Hall

Students will expand their creativity and marketing skills with a presentation project. Brick by brick, students will brainstorm a product idea, build a prototype, and then present their product.

CENTER FOR TEACHING & LEARNING AVATAR DEMONSTRATION

Kirk Hall, Room 122

Check out a fun and interactive demo from the Simulated Experiences at Saint Leo! Students will have the opportunity to interact with some of our avatar friends in the same way they would a real world classroom, office space, or other workplace.
