

DATING VIOLENCE AWARENESS

AN EVENING OF INSIGHT AND ACTION

Join us for a powerful event focused on spreading awareness and taking action against teen dating violence.

Our featured speaker for the evening is Jan Edwards, who brings passion and expertise to the issue of human trafficking and exploitation. After traveling to Ethiopia and witnessing the realities of trafficking, Jan has dedicated herself to combatting this silent crime. She currently serves on several anti-trafficking task forces and boards at the local and national level.

Jan will share her knowledge and inspire us to get involved in this critical cause, so that all youth have the opportunity to reach their full potential.

Light refreshments will be provided.

****The views expressed during this event are those of the speaker/presenter and do not necessarily represent the views of the University.**
