

# ADMITTED Students Day

APR  
**12**  
2025

## SCHEDULE AND EVENT DETAILS

**9:00 AM - 9:30 AM** | WELCOME SESSION (Marion Bowman Center)  
Map Location - #3

Get ready for an epic Welcome Session with insights from University leaders to level up your campus experience.

**9:45 AM - 10:15 AM** | LIFE AT LEO (Marion Bowman Center)  
Map Location - #3

Learn about life at Leo: academics, life outside the classroom, and a variety of student facing services.

**10:15 am - 10:45 AM** | ACADEMIC RESOURCE FAIR (Marion Bowman Center)  
Map Location - #3

Meet faculty and explore programs at Saint Leo's Academic Resource Fair—your chance to discover academic opportunities!

**10:30 AM - 11:30 AM** | ABBEY CHURCH TOURS (The Clock Tower)  
Map Location - #8

Founded by Benedictine monks in 1889, our university invites you to visit our beautiful church on campus.

**10:30 AM - 12:00 PM** | EXPERIENTIAL LEARNING SESSIONS  
Map Locations - #6, 7 & 9

Sessions start every 30 minutes

**Robotics Lab – Kirk Hall 123/124**

**College of CARDS** - Explore hands-on learning in our Robotics Lab and see how AI enhances daily life through practical activities.

**Biology Anatomage Table – Selby Auditorium**

**College of Arts, Sciences, and Allied Services** - Explore the Anatomage table with our biology faculty as they demonstrate virtual autopsies used by students daily.

**Broadcasting, Podcasting, and Communication – TECO Hall**

**College of Business** - Explore broadcasting and podcasting basics, tour our radio station and podcasting lab, and join in fun communications activities.

**Nursing Simulator – Lion Statue**

**College of Health Professions** - Experience our advanced nursing simulator with lifelike, computer-controlled patients that build real-world clinical skills.

**Organic Chemistry Lab – Lewis 320**

**College of Arts, Sciences, and Allied Services** - Dive into our organic chemistry lab for hands-on experiments and explore the world of carbon-based molecules.

**Presumptive Blood Test – Kirk Hall 122**

**College of Arts, Sciences and Allied Services** - Experience forensic science by testing for blood stains and conducting a real presumptive test—guided by our criminal justice students!

**10:30 AM - 12:00 PM** | WELLNESS CENTER TOURS (Lion Statue)
