Saint Leo University's Center for Catholic-Jewish Studies presents

Israel-Palestine in the Context of Catholic-Jewish Dialogue: A Three-Part Series

What is the distinctive vision of a Catholic university in relation to the Israeli-Palestinian conflict? How should we engage in dialogue about Israel-Palestine?

Join the Center for Catholic-Jewish Studies for a three-part series that aims to deepen understanding of perspectives on dialogue about Israel-Palestine. The programs will explore theological, historical, and social dimensions of Israel-Palestine in the context of Catholic-Jewish dialogue.

The series strives to model an approach that takes seriously the principles of interreligious dialogue as well as the task of understanding the self-definition and memories of Israelis and Palestinians.
