ABOUT SAINT LEO UNIVERSITY

Saint Leo University is a Catholic Benedictine university dedicated to helping learners of all backgrounds and ages gain the competence and courage to be more. Offering more than 55 degree programs to almost 6,500 students each year, the nonprofit university is known for providing a values-based education in the liberal arts tradition and a community of belonging for those who seek a greater purpose in life. Saint Leo is regionally accredited and offers a campus in the Tampa Bay area of Florida, regional education centers, and several online programs. The university is home to more than 107,000 alumni.

MISSION STATEMENT

Saint Leo is an inventive global Catholic liberal arts university that fosters a personal and inclusive community which educates, prepares, and develops students for success and consists of diverse learners who boldly confront the challenges of our world through service to others.

CATHOLIC IDENTITY STATEMENT

Saint Leo University is a community rooted in the Catholic faith and in the spirit of our Benedictine founders. As a Catholic institution of higher learning, Saint Leo University supports what Ex Corde Ecclesiae terms the four essential characteristics of a Catholic University: Christian inspiration, faith reflection, fidelity to the Christian message, and service to church and humanity.

Saint Leo's identity is an outgrowth of Catholic social teaching, which insists that human institutions and relationships be based on a recognition of the dignity of all human beings and demands social and economic justice for all; and the Catholic intellectual tradition, celebrating the compatibility of faith and reason which means that the university welcomes an open and free dialogue among persons of differing religious and intellectual traditions.

Recessional	

Lieutenant Governor Jay Collins
State of Florida

Lieutenant Governor Jay Collins is a highly decorated Army Special Forces combat veteran and public servant. After sustaining life-changing injuries in combat, he continued serving five more years as a Green Beret before retiring after more than 23 years. Following his military career, he led Operation BBQ Relief, helping distribute millions of meals to disaster-affected communities and supporting veterans and their families. Elected to the Florida State Senate in 2022, Lt. Gov. Collins authored more than 55 pieces of legislation and secured more than \$120 million to strengthen education, support first responders and veterans, and protect Florida’s farmlands. Today, as the 21st Lieutenant Governor of Florida, he continues to champion bold action and lasting impact for communities across the state. Lt. Gov. Collins and his wife, Layla, a retired veteran, are parents to two sons and active members of Grace Family Church.

Arnie Bellini
Chairman, ConnectSecure.com

Arnie Bellini is a tech entrepreneur and CyberBay evangelist who helped build Tampa Bay into a national technology hub. As founder of ConnectWise and chairman of ConnectSecure.com, he has played a leading role in shaping the future of cybersecurity, artificial intelligence, and innovation-driven economic growth. Bellini is a national voice on digital security and the need to defend America’s “digital borders”, bringing together government, military, academia, and the private sector to confront emerging cyber and physical threats. Beyond technology, he is a champion of conservation and sustainability. He helped support the passage of the Florida Wildlife Corridor Act, preserving critical natural lands for future generations. An avid endurance athlete, Bellini was the 50th person over 50 to swim the English Channel in 2013, a testament to his belief in discipline, resilience, and bold execution. Today, he is leading the effort to establish Tampa Bay as “CyberBay”, positioning it as the United States’ center of cybersecurity excellence. He and his wife, Lauren, are deeply committed to philanthropy and community impact, values they have instilled in their two sons, Arnold IV and Peter.

Latin honors reflected for graduates during the commencement ceremony are anticipated graduation honors, based on current cumulative GPA of completed courses and do not include grades from an in-progress semester, as of March 1. Definitive honors will be determined after the collection of final semester grades and will appear on the graduates' diplomas and transcripts.

Saint Leo University's governing board is a group of volunteers who exemplify the university's six core values. They all give generously of their time, talent, and treasure to enhance the education that our students receive. This year, five board members have completed their terms, and we thank them for their service.

Gwendolynn (Gwen) F. Alonso served as the chief nursing officer of AdventHealth Hospital of Zephyrhills from 2013 until her retirement. From 2002 to 2013, she was the assistant vice principal of Cardiac Services for Florida Hospital in Zephyrhills. She is lauded for helping AdventHealth Zephyrhills earn national recognition for its commitment to high-quality patient care. Alonso joined the Saint Leo University Board of Trustees in 2023, serving on the Academic Affairs, Strategic Enrollment, and University Student Affairs committees during her tenure.

Sister Roberta Bailey, O.S.B. '57 began her educational career in 1959, working with students from infancy through college, and moved into educational leadership in 1970. She founded Montessori schools in St. Leo and at Blessed Trinity in Ocala, and served as principal at St. Anthony School in San Antonio for 15 years. A graduate of Holy Name Academy, she has served two terms on the Saint Leo University Board of Trustees, first from 1987 to 1993 and again beginning in 2010. During her tenure, she served on several committees, including the Academic Affairs committee, which she chaired, as well as the University Student Affairs, Strategic Enrollment Affairs, and Executive committees. From 2010 to 2025, Sister Roberta was prioress of the Benedictine Sisters of Florida and now serves her community as monastery coordinator. She also served on the local Chamber of Commerce and Sunrise of Pasco boards and was a governor appointee to Florida's Universal Pre-K Commission. Sister Roberta is a frequent lecturer on topics such as parent education, early childhood development, stress management, and humor, and she is past editor of the *Children Our Concern* journal of the ECA of Florida.

Edwin Narain '07, '09 is a respected leader in business, government, and the community, with a career spanning three decades. He was elected to the Florida House of Representatives in 2014, representing the 61st District. Narain currently serves as vice president of external and legislative affairs at AT&T, where he has received multiple awards for his achievements. He earned a bachelor's degree in psychology and a master's degree in business administration from Saint Leo University before receiving his Juris Doctor from Stetson University. Narain joined the Saint Leo University Board of Trustees in 2016, serving on the Business Affairs; Bylaws; Information Technology; Student Affairs; Strategic Enrollment Management; Executive; and University Student Affairs, Trustee and Governance committees. He chaired the Student Affairs and Executive committees and served as board secretary from 2021 to 2023 before being appointed board chair in 2023, becoming the youngest and first African American to serve as chair of the Saint Leo University Board of Trustees. His civic service also includes serving as immediate past chairman of the Tampa Bay Chamber of Commerce and the Boys & Girls Club of Tampa Bay.

Most Reverend Gregory Parkes serves as the fifth bishop of the Diocese of Saint Petersburg. Prior to this appointment, he was the fifth bishop of the Diocese of Pensacola-Tallahassee from 2012 to 2016. Bishop Parkes joined the Saint Leo University Board of Trustees in 2017, serving on the Student Affairs; Academic Affairs; Investment; Strategic Enrollment Management; and University Student Affairs, Trustee and Governance committees. Before answering the call to the priesthood, he worked in Tampa's banking industry. He earned a bachelor's degree in finance from Florida State University before entering St. Vincent de Paul Regional Seminary in Boynton Beach in 1993. He continued his studies at the Pontifical Gregorian University in Rome, where he earned a Sacred Bachelor of Theology (S.T.B.) and a Licentiate in Canon Law (J.C.L.). Bishop Parkes was ordained a priest of the Diocese of Orlando by Bishop Norbert Dorsey on June 26, 1999.

John View '72 is a retired higher education administrator, having spent 39 years at the State University of New York (SUNY) College of Environmental Science and Forestry (ESF). He retired from the university in 2017 as the director of financial aid, compliance, and educational opportunity program and was later named director emeritus. Additionally, View assisted in creating the SUNY-ESF athletics program in 2007 to help stabilize and increase enrollment at ESF. He became the ESF men's and women's cross country and track and field coach. His men's cross-country team won four consecutive USCAA National Championship titles and the women placed second from 2011 to 2014. He was inducted into the USCAA Hall of Fame in 2018. View holds a bachelor's degree in education and political science from the then Saint Leo College, a master's degree in business administration from Syracuse University (NY), and a master's degree in educational administration and leadership from the University of Notre Dame. After serving on the Saint Leo University Alumni Association board, View served on the university's Board of Trustees from 2004 to 2013 and then rejoined in 2016. Since then, he has served on the Bylaws, Audit, Strategic Enrollment Management, Business Affairs, and Ad Hoc Finance committees and was chair of the Executive Board, Ad Hoc Finance, and Audit committees. View also served as the Saint Leo University Board of Trustees chair and vice chair, and, in 2025, served on the Presidential Search Committee.

ACADEMIC MACE

Maces date to the Middle Ages and symbolize strength and authority. Used during ceremonial events, Saint Leo University's mace is 60 inches tall and combines modern styling with elegant engravings representing the university's traditions and origins.

The staff is made of oak to symbolize the union of strength and endurance, as well as to pay homage to the stately oak trees that grace University Campus. The staff engravings reflect the artistic carving skills of the early Abbey monks and recalls the carved doors of the Abbey Church.

A globe of frosted glass sits atop the mace, illustrating the university's international richness and influence. Below the globe is the Saint Leo University seal, followed by six polished bronze rings. Each ring is inscribed with one of Saint Leo's core values.

Skillfully carved out of the oak wood, an infinity band adorns the circumference of the staff, representing the university's continuous evolution in an ever-changing world. Elegant orange blossoms are engraved in a repeating design at the middle of the staff. They are a symbol of the agricultural history of Saint Leo and the origins of the official school colors: green and gold.

GONFALONS

The Saint Leo University gonfalons are modeled on processional banners that originated in the medieval states of Italy. Four gonfalons represent each of the university's colleges: the College of Arts, Sciences, and Allied Services; the Tapia College of Business; the College of Computing, Artificial Intelligence, Robotics, & Data Science; and the College of Health Professions.

ACADEMIC COSTUME

The academic regalia worn at commencement dates back to medieval times where university students and teachers wore gowns indicating their status and scholastic achievements. In 1895, an intercollegiate commission in the United States drafted and adapted a uniform code of dress, which is still in effect today.

At commencement, Saint Leo confers associate, bachelor's, master's, and doctoral degrees. Those holding an associate degree wear a gray gown, while those with a bachelor's degree wear a black gown fastened at the top and distinguished by long pointed sleeves hanging nearly to the knees. The master's gown, worn open, has long closed sleeves with an arc of a circle appearing near the bottom and a slit for the arm near the middle of the sleeves. The doctoral gown, usually worn open, is made of silk, faced with a broad strip of velvet, and has three bars of velvet on each sleeve.

A hood made of the same material may be worn with the gown. The master's hood is 31/2 feet long, faced with a 3-inch strip of velvet; and the doctoral hood is 4 feet long with panels at the sides. The color of the tassel or the velvet strip on the hood indicates the field of study in which the degree was earned or granted. Each hood also is lined in silk with the colors of the institution that granted the degree.

The appropriate cap for all degrees is the familiar black "mortarboard." Those holding a doctorate may wear a soft velvet cap of the color indicating their field of study.

HOOD COLORS

Master of Accounting: drab

Doctor of Business Administration: drab
Doctor of Criminal Justice: midnight blue
Doctor of Education: light blue

Music by Jeffery R. Smith | Lyrics by Kurt Van Wilt (1948 - 2016)

Refrain: E^b F_m B^b

Saint Le-o we sa-lute tra-di-tions new and old, which

A^b E^b/G D^b/F G^b B^b

guide us as we grow in bo-dy, heart and soul.

A^b E^b/G G G/B C_m

Ev'-ry where we flour-ish sus-tained by our i-deal of

$C^b_{maj} 7$ E^b/B^b F_m/B^b E^b_{10}

chal-len-ging our minds to make our vi-sion real.

E^b B^b $F_m 7$ E^b

Joy-ful-ly we ga-ther, our des-tin-nies to seek,

Fm⁷ A^b/B^b B^b

part-ners in har-mo-ny u-ni-ted yet u-nique.

G Cm Fm⁷ A^b maj⁷

Ex-cel-lence in word and deed, we've made our fi-nal quest, We

Fm⁷ E^b A^b/B^b B^b D.C. To refrain..

care for all cre-a-tion, with com-pas-sion and res-pect.

Thank You

We extend special thanks to the staff and faculty who worked to make today's event possible and to all of the family members, friends, and loved ones who provided support and encouragement to our graduates.
